RIVERHEAD, LONG ISLAND

Located on beautiful Long Island, just seventy-five miles from New York City, Riverhead, settled in 1690, is the county seat of Suffolk County. It takes its name from its situation at the head of the Peconic River.

Fresh water lakes and the shores of Peconic Bay and Long Island Sound make it an ideal place for the fishing, boating, swimming, and duck hunting enthusiasts.

MADE BY THE TOMLIN ART COMPANY, NORTHPORT, LONG ISLAND, N. Y.
